

# WOBURN

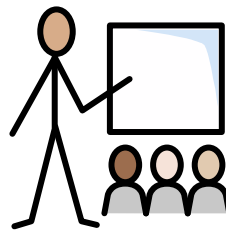

*Safari Park*

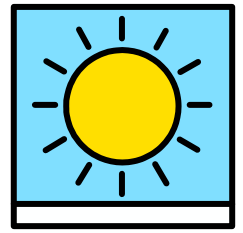

**SEND**

**Friendly**

**Workshop**

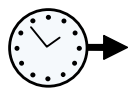

**Day**

## Mucking out

I

will

help

the keepers

clean

an

animals

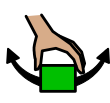

enclosure.

I

may

use

a broom,

rake,

dustpan

or

wheelbarrow.

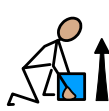

I

might

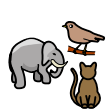

have to

pick up

some

animal

poo

with

these.

I can

wash my hands

when

we have

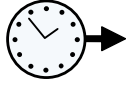

finished.

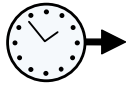

# Food Preparation

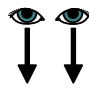

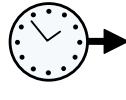

I will be helping to make the animals food.

I will use a knife and a chopping board to cut up

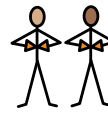

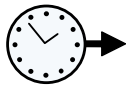

vegetables.

Then I will be able to watch the animals eat the food

I cut up.

I will need to wash my hands when we have finished.

   
**Making Enrichment**

         
 I will help to make toys for the animals to play with.

          
 I might use cardboard, herbs or other things that will

    
 make the animals excited!

        
 I can watch the animals play with them afterwards.

# Artefact touch table

I

will

see

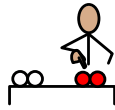

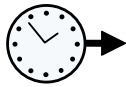

some

artefacts

from

lots of

animals.

I

will be

allowed

to

touch

these.

Some

artefacts

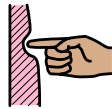

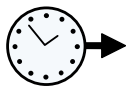

will feel

soft,

rough

or

sharp.

I

will

need to

be

gentle

so

i

don't

break

them.

I can

ask questions

about

the animals

if

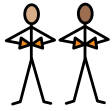

I

want to.

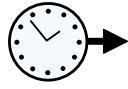

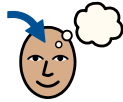

# African Adventure

We

will be

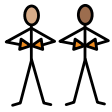

learning

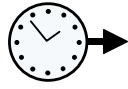

about

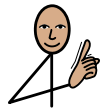

giraffes.

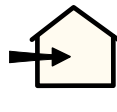

We

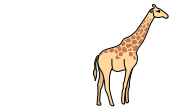

will

need to

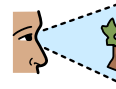

go inside

the giraffe

house

to see

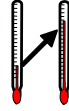

them.

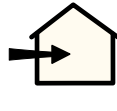

It

may be

hot

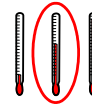

in here

to

keep the giraffes

warm.

I

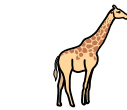

won't be able

to

touch

the giraffes

as

I

could

scare

them.

I can

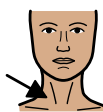

touch

the skull

+

and

neck

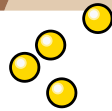

bones.

Bird of Prey

Pellet

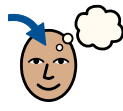

Dissection

I

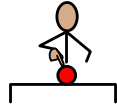

will

learn

about

what

the birds of prey

have been

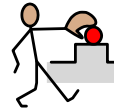

eating.

I

will

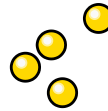

get

to dissect

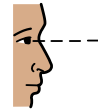

their

pellets

and

look

for

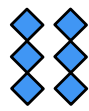

bones.

I

will

match

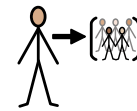

what animals

the

bones

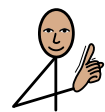

belong to.

I

will

need to

wash my hands

when

we have

finished.
